

...the Future reflected.

NERO C

a **unique experience** that we want you to take
part in, a **special world** that we want to share.

Masterpiece

We deliver a product that is always **up to standard** made using **select raw materials**.

Thanks to regular controls we know what we are offering to our customers.

Personality

Unique and **unmistakable** personality that wants to be noticed. You can pick it out of a crowd.

Glass

We have selected an **elegant** and **minimalist** look for our coffee.

What interests us is revealing the coffee's qualities through the physical and sensory experience of the tasting, **drop by drop.**

Heart

The **passion** that each of us puts into our work
is found in every **coffee bean**.

We love what we do.

Engaging

A **passion** that we enjoy **sharing** in every way with our customers, including through innovative initiatives and products.

Experiences that **bring us together** and enhance our **relationship**.

Heat

Growing, being positive and concrete to build
a **future together**, certain that we can count
on experience, transparency and the friendly
support that we want to offer you.

Creative

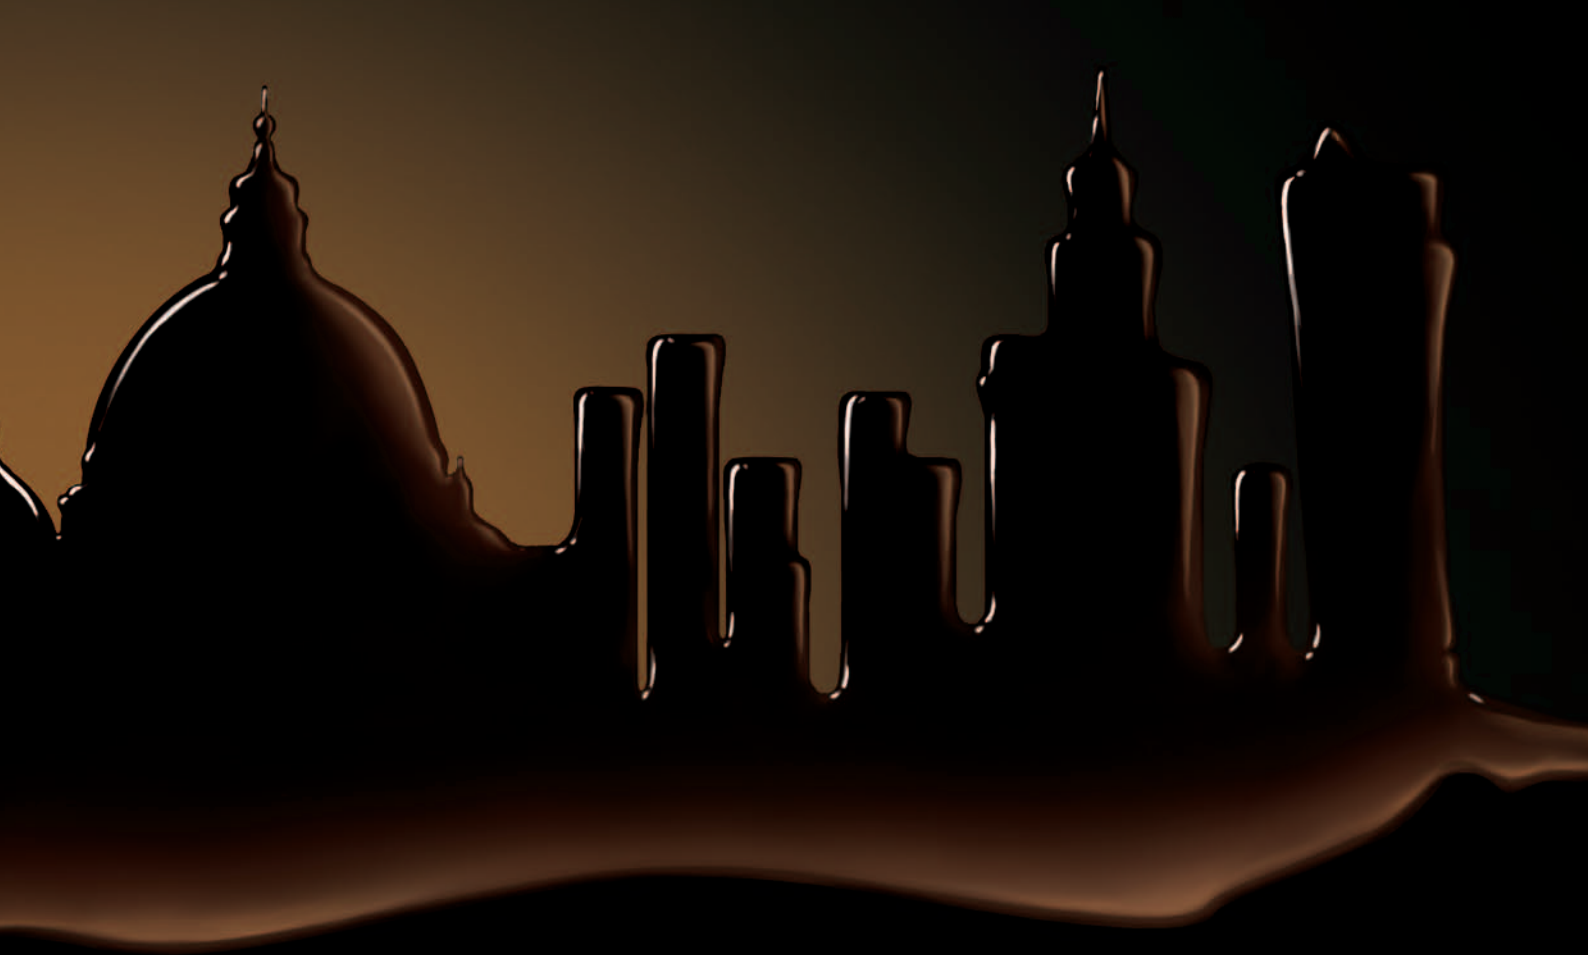

We want to present ourselves in a different way
through **innovative** and **original communication**.

C harm

A world, a **fascinating story** that communicates
and conveys its emotions **bean by bean.**

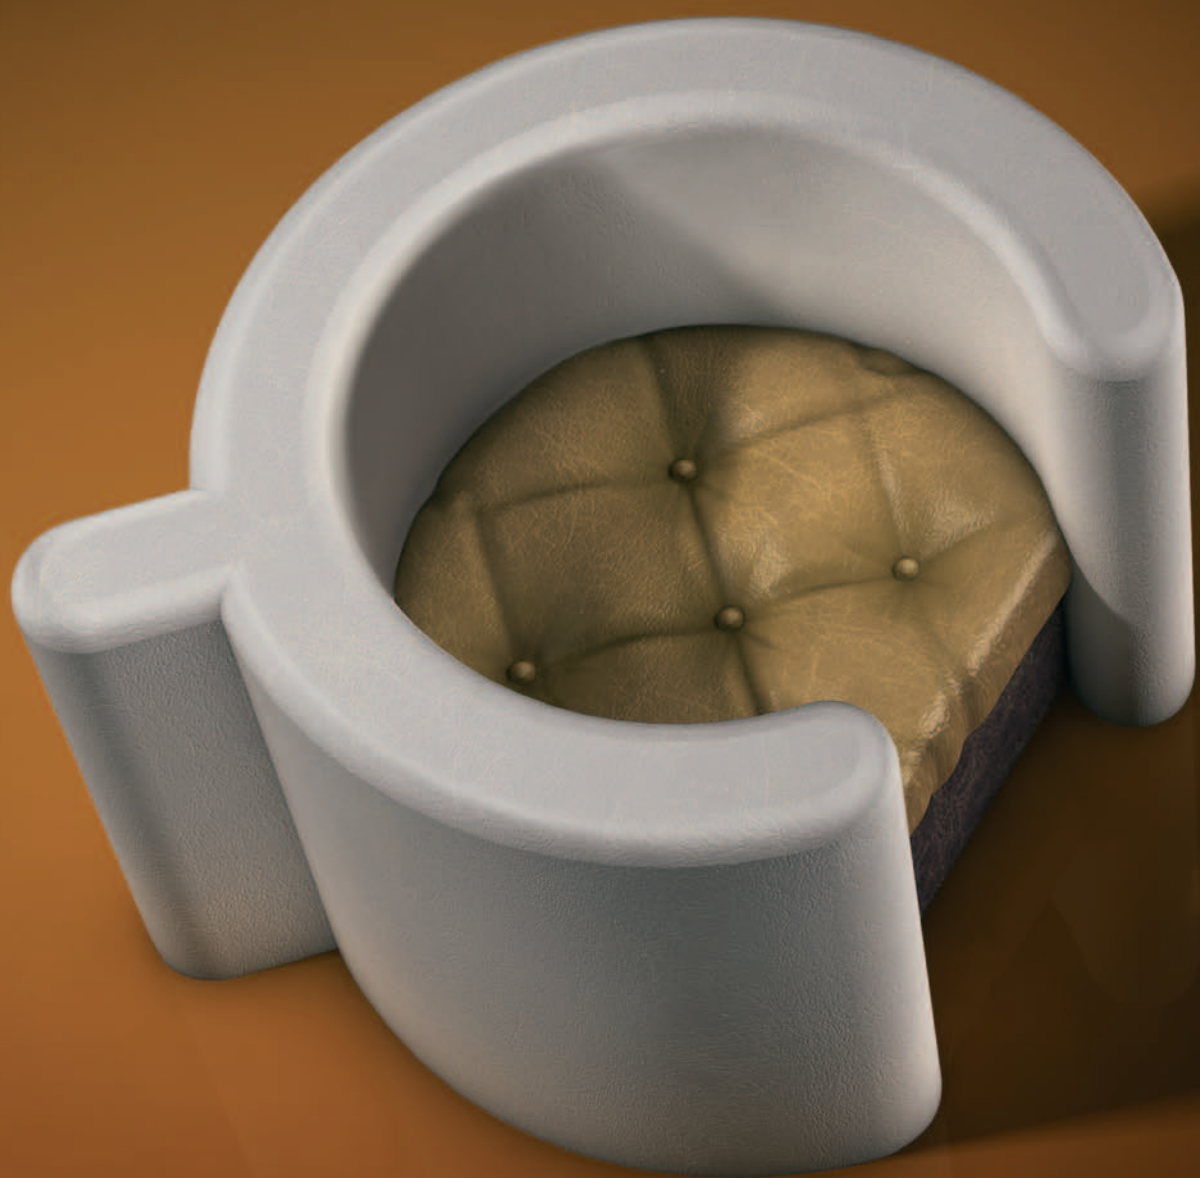

Culture

Studying about and **researching** the world of coffee has given us an in-depth look at all its aspects, from **history** to **botany**, from the taste to the best way to express it.

Body

Nero C offers a **full flavour**
and consistency on the palate,
regenerating the **mind** and **body**
of anyone who tastes it.

C comfort

Quality and fast delivery, professionalism
at your service to make your job easier.
Relax, **comfortably savour** the pleasure
of Nero C Coffee.

Coffee

All of the words that describe Nero C
try to sum up what is hidden
in every cup of coffee: **it is not just a job,
but our true passion.**
